This Font Software End User Agreement (the “Agreement” or “License”) is a legal binding agreement between you and Laura Worthington. When you purchase any Laura Worthington fonts, you agree to the terms and conditions of this License. If you do not agree to the terms of the License/Agreement, do not access, use or download the Font Software.

You hereby agree to the following:

1. The terms stated above are restated and incorporated into this License. You are bound by the Agreement and you acknowledge that all Use (as defined herein) of the Font Software (as defined herein) supplied to you by Laura Worthington is governed by the Agreement.

3. “**Fonts**” or “**Font Software**” means the software that generates the typeface, typographic designs and ornaments. Font Software shall include all bitmap and vector representations of typeface and typographic designs and ornaments created by or derived from the Font Software as well as, upgrades, updates, related files, permitted modifications, permitted copies, and related documentation.
4. “**Basic Licensed Unit**” as used herein shall mean one user on up to five (5) Workstations (as defined herein) connected to no more than one (1) printer with a non-volatile memory (for example, a hard drive), all located at a single geographic location. If you intend to use the Font Software on more equipment than permitted by a Basic Licensed Unit, you must create an “Extended Licensed Unit” by obtaining from LW, for an additional fee, a site license for all such equipment. “Licensed Unit” as used herein shall mean a Basic Licensed Unit or an Extended Licensed Unit as is appropriate to the context in which the term is used.
5. “**Use**” of the Font Software shall occur when an individual is able to give commands (whether by keyboard or otherwise) that are followed by the Font Software, regardless of the location in which the Font Software resides.
6. “**Derivative Work**” shall mean a copy based upon or derived from Font Software (or any portion of Font Software) in any form in which such data may be amended, transformed, or adapted including, but not limited to, digital data in any format into which Font Software may be converted.
7. “**Personal or Internal Business Use**” shall mean Use of the Font Software for your customary personal or internal business purposes and shall not mean any distribution whatsoever of the Font Software or any component or Derivative Work thereof. “Personal or Internal Business Use” shall not include any Use of the Font Software by persons that are not members of your immediate household, your authorized employees, or your authorized agents. All such household members, employees and agents shall be notified by you as to the terms and conditions of the Agreement and shall agree to be bound by it before they can have Use of the Font Software. 9. **“Commercial Product”** as used herein shall mean an electronic document or data file created by use of the Font Software which is offered for distribution to the general public (or to some subset of the general public) as a commercial product in exchange for a separate fee or other consideration. 10. **GRANT OF LICENSE** You are hereby granted a non-exclusive, non-assignable, non-transferable (except as expressly permitted herein) terminable license to access the Font Software (i) only in a Licensed Unit, (ii) only for your Personal or Internal Business Use, and (iii) only subject to all of the terms and conditions of the Agreement. Accordingly, if all 25 workstations will be in use at one point in time, all 25 Workstations must be licensed. The Font Software may not be installed or Used on a server that can be accessed via the Internet or other external network system (a system other than a LAN) by workstations that are not part of a Licensed Unit.
